Transparent Lid for Rotisserie Bronze

This transparent glass lid is designed to perfectly complement your 35 cm cast aluminum rotisserie dish. Featuring a durable stainless steel rim and a sleek black handle, it provides both style and functionality. The lid is equipped with a steam outlet valve to help regulate heat and moisture during cooking, ensuring your roasts come out tender and flavorful. Its clear design allows you to monitor the cooking process without lifting the lid, saving heat and energy. Compatible with the cast aluminum rotisserie, this lid is the ideal addition to complete your rotisserie setup.

Features & Benefits

- 35x25 cm lid, designed for compatibility with P152035B
- Transparent glass allows for easy monitoring while cooking
- Durable stainless steel rim enhances longevity and prevents chipping
- Steam outlet valve regulates heat and moisture for perfect cooking results
