Black Series Non-stick 24 cm Casserole Without Lid

This non-stick casserole dish is perfect for preparing and serving delicious, hearty meals. Made from durable black cast aluminum, it offers excellent heat distribution and retention, ensuring your dishes are evenly cooked every time. The design features uneven thicknesses and a seamless single-piece mold, ensuring excellent thermal conductivity and allowing for efficient cooking even at lower temperatures. The nonstick coating makes it easy to clean and maintain, reducing the need for excess oils or fats. Whether you're roasting, braising, or simmering, this casserole is built to handle your biggest cooking tasks with ease.
