Product Family: Grids Stainless Steel

Wire rack GN 2/1 stainless steel with white Rilsan coating

Offering exceptional strength and durability, this wire rack by Pujadas is the best way to cool baked items. It features thick stainless steel with a white Rilsan coating for incredible longevity. With two crossbars and 13 wires, this rack provides ample support. It helps food items cool off quickly, as the gaps between the wires allow maximum airflow. This rack is not intended for oven use.
