Airpot 5 L stainless steel with black top

Keep hot coffee at perfect serving temperatures for hours with the airpot by Pujadas. Featuring double-wall stainless steel construction, this airpot provides impressive durability, longevity and insulation. With a sturdy carrying handle and rotating base, this airpot can be moved to wherever it's needed most and spun around to face customers from any angle. The large 5-liter capacity eliminates the need for frequent refills, and the large opening ensures easy cleaning. With a sleek black top that features a simple push-button operation, this airpot is perfect for self-service drink stations.

Features & Benefits

- Double-wall stainless steel construction provides impressive durability, longevity and insulation
- Black top features a simple push-button operation that's easy to use and ideal for self-service drink stations
- Sturdy carrying handle and rotating base allow airpot to be moved easily and spun around to face customers from any angle
- Large opening ensures easy cleaning
