Black Pro Non-Stick Hot Plate 43 x 25 cm with Handles

The Non-Stick Hot Plate with handles features a rectangular induction base, ensuring fast and even heating across its surface, making it ideal for grilling, sautéing, or serving directly at the table. Crafted with thick forged aluminum, it delivers excellent thermal conductivity while maintaining its shape under high heat. The three-layer non-stick coating guarantees effortless food release and long-lasting performance, even with frequent use. The silicone handles provide a secure, heat-resistant grip, allowing for safe handling from stovetop to serving table. Whether you're preparing meals on an induction cooktop or traditional stove, this hot plate offers exceptional performance and style.
