Century lid 28 cm aluminum with stainless steel handle

Complete your Century cookware collection with this lid by Pujadas. Just like Century cookware, it's made of 99 ½ percent extra-strong aluminum to offer outstanding performance, with reinforced edges that resist dents or deformation. It traps heat and recycles condensation to shorten cooking times and ensure high-quality results. The ergonomic loop handle is made of insulated stainless steel for a cool, comfortable grip, while the polished finish creates a sleek appearance and may prevent bacterial growth.
