Product Family: Black Series Cookware

Black Series 28 cm Non-Stick Stock Pot Without Lid

This Non-stick Stockpot is built to handle larger cooking tasks, making it perfect for preparing family-sized portions of soups, stews, or broths. Its cast aluminum body and handle are molded in a single piece, providing exceptional strength and durability. The pot's uneven thickness design ensures efficient and consistent heat distribution, even for large quantities. Its large-surface induction base maximizes thermal transfer, making it ideal for induction cooktops. The nonstick interior makes it easy to simmer, stir, and serve without worrying about sticking or tough cleanup.
