# Double Wall Insulated Cooler

The Double Wall Insulated Cooler is designed to keep your favorite drink perfectly chilled while adding a touch of sophistication to your table. Crafted from high-quality stainless steel, this cooler features a sleek metallic finish that enhances its modern aesthetic. The double wall insulation ensures that your beverage maintains its ideal serving temperature, allowing you to savor each sip without interruption. This cooler is not just a practical accessory, it's an essential element of your serving toolkit.

## Features & Benefits

- 12 x 20 cm cooler
- Double wall insulation keeps beverages at the perfect temperature longer
- Sleek stainless steel construction offers a contemporary look while maintaining durability
- Compact design fits seamlessly into any dining arrangement
