Product Family: Trays and containers

Polypropylene Tray with 5 Compartments

This versatile Polypropylene Tray with 5 compartments is a durable and hygienic solution for serving and organizing food. Its five distinct compartments allow for efficient portioning and separation of various dishes, making it ideal for meal prep, food delivery, or cafeteria settings. Crafted from durable polypropylene, this tray is both lightweight and durable, ensuring long-lasting use. The bright, blue finish adds a pop of color any environment while providing excellent organization of food contents.

Features & Benefits

- 5 compartments allow for effective organization
- Polypropylene construction is durable and reliable
- Smooth surface is easy to clean and sanitize.
- Stackable for efficient storage
