Product Family: Stainless Steel Fry Pans

Inox-Pro Ergos frying pan 18 cm stainless steel induction-ready in satin finish

The Inox-Pro Ergos frying pan by Pujadas is a high-performance professional pan designed for intensive cooking. Made from 18/10 stainless steel, it features a 6.5 mm sandwich base that ensures even heat distribution and full induction compatibility. Its DUROLITH triple-layer nonstick technical coating offers exceptional durability, even when using metal utensils. The Ergos tubular handle, triple-riveted for added strength, provides a secure grip, while the satin-finished exterior maintains a clean, professional look. NSF certified.

MODEL INFORMATION

EAN 13	8421661220187
(W) Width (CM)	35
(D) Depth (CM)	19.4
(H) Height (CM)	5.4
(DI) Diameter (CM)	18
Capacity (L)	1
Weight (KG)	0.49
Construction Material	Stainless Steel
Material Type	Metals
Case Lot	1

Features & Benefits

- Made from 18/10 stainless steel, it delivers exceptional durability for intensive professional use.
- The 6.5 mm sandwich base ensures even heat distribution and excellent thermal stability.
- The DUROLITH triple-layer nonstick technical coating provides superior resistance, even when using metal utensils.
- The Ergos tubular handle, triple-riveted for strength, offers a secure and comfortable grip.
- The uniform satin-finished exterior maintains a clean professional look while minimizing visible wear.
- NSF certified, it is suitable for gas, electric, vitroceramic and induction cooktops.
