Product Family: Stainless Steel Fry Pans

Expert frying pan 28 cm stainless steel induction-ready

Popular among busy professional chefs, the Expert frying pan by Pujadas achieves incomparable results with ease. This versatile pan can be used with gas, vitroceramic, electric or induction ranges, making it a dependable addition to any commercial kitchen. It features a sandwich base, with an aluminum core between two layers of stainless steel, to ensure fast heat, even distribution and induction compatibility. The smooth interior is easy to clean, and the hang-hole in the handle offers a convenient storage solution. With a thick tubular handle, this frying pan provides a steady grip for flipping, frying, sautéing and more.

MODEL INFORMATION

EAN 13	8421661213288
(W) Width (CM)	55.7
(D) Depth (CM)	29.8
(H) Height (CM)	16.2
(DI) Diameter (CM)	28
Capacity (L)	2.75
Weight (KG)	1.41
Construction Material	Stainless Steel
Material Type	Metals
Case Lot	1

Features & Benefits
