Inox-Pro deep saucepan 20 cm stainless steel induction-ready in satin finish

The Inox-Pro deep saucepan by Pujadas was specially designed to achieve the best performance for professional chefs, and the deep design offers impressive capacity for larger batches. The body of this saucepan is made of 18/10-grade stainless steel for impressive durability and longevity, and the satin finish creates a sleek appearance that hides signs of wear. This saucepan features a stainless steel sandwich base, with an aluminum core, for exceptionally fast heat, even distribution and induction compatibility. The smooth interior ensures quick cleaning, while the strong tubular handle features a reliable welded connection. And, a hole in the end of the handle allows convenient hanging storage. The sleek design of this NSF-certified saucepan will look stunning on your gas, vitroceramic, electric or induction range.
