Ice bucket 11 cm stainless steel with fixed handles and false bottom

Keep ice frozen for hours with the ice bucket by Pujadas. Designed with thick walls to ensure ideal serving temperatures, this 18/10-grade stainless steel bucket provides impressive durability, longevity and consistency. The included false bottom allows water to drain away from the ice, which slows melting and ensures easy serving. This bucket features a sleek finish for a beautiful appearance and fixed handles for a steady, reliable grip.
