Product Family: Inox-Pro Cookware

Inox-Pro casserole pan 28 cm stainless steel induction-ready in satin finish

Designed to keep up with the high demand of professional kitchens, the Inox-Pro casserole pan is the best choice for slow cooking and browning. The body of this pan is made of 18/10-grade stainless steel for impressive durability and longevity, and the sandwich base features an aluminum core to provide exceptionally fast heat, even distribution and induction compatibility. Two strong loop handles offer a comfortable grip and plenty of support for easy maneuvering, while the smooth interior promises quick cleaning. With its sleek design and smooth satin finish that hides signs of wear, this NSF-certified casserole pan will look stunning on your gas, vitroceramic, electric or induction range.
