Inox-Pro stockpot 28 cm stainless steel induction-ready in satin finish with faucet and lid

Preparing delicious soups, stocks and broths has never been easier than with this Inox-Pro stockpot by Pujadas. Designed for long, slow cooking, this large stockpot comes with a lid that traps heat and circulates moisture for faster cooking and enhanced flavors. And, a faucet on the front allows for convenient serving. The body of this stockpot is made of 18/10-grade stainless steel for impressive durability and longevity, and the sandwich base features an aluminum core to ensure exceptionally fast heat, even distribution and induction compatibility. The satin finish creates a sleek appearance and hides signs of wear, so it's sure to look stunning on your gas, vitroceramic, electric or induction range. Two strong loop handles offer a comfortable grip and plenty of support for easy maneuvering, while the smooth interior promises quick cleaning, making this versatile, 28-centimeter stockpot a valuable addition to any lineup.
