Product Family: Food Warming Equipment

Contoured carving station with UK plug

With a thoughtful design and a stylish appearance, the contoured carving station by Vollrath is a valuable addition to any foodservice establishment that regularly carves meat. A simple switch turns on the powerful heat lamps so that your meat stays warm throughout carving, and a clear tempered glass customer breath guard maintains both product visibility and sanitation. The high-quality cutting board is dishwasher safe, and the recessed base features channels that guide liquids into an easily-removed drip pan. The heavy-duty steel frame and solid construction ensure durability, and the rubber feet prevent unwanted movement.

Features & Benefits

- Heavy-duty chrome-plated steel frame is built for years of service
- Clear, tempered glass customer breath guard maintains product visibility and sanitation
- Knife-friendly, dishwasher-safe, NSF-certified cutting board included
- Versatile solid design can be used to serve a variety of foods with ease
- Strong serrations easily slice through meat, bread and more
- Ideal for a variety of buffet or catering applications
- Wind guard protects fuel during outdoor operation
