Product Family: Stainless Steel Fry Pans

Inox-Pro Ergos frying pan 32 cm stainless steel induction-ready in satin finish

The Inox-Pro Ergos frying pan by Pujadas is a high-performance professional pan designed for intensive cooking. Made from 18/10 stainless steel, it features a 6.5 mm sandwich base that ensures even heat distribution and full induction compatibility. Its DUROLITH triple-layer nonstick technical coating offers exceptional durability, even when using metal utensils. The Ergos tubular handle, triple-riveted for added strength, provides a secure grip, while the satin-finished exterior maintains a clean, professional look. NSF certified.

MODEL INFORMATION

EAN 13	8421661220323
(W) Width (CM)	62
(D) Depth (CM)	33.5
(H) Height (CM)	14.6
(DI) Diameter (CM)	32
Capacity (L)	4.2
Weight (KG)	1.79
Construction Material	Stainless Steel
Material Type	Metals
Case Lot	1

Features & Benefits

- Made from 18/10 stainless steel, it delivers exceptional durability for intensive professional use.
- The 6.5 mm sandwich base ensures even heat distribution and excellent thermal stability.
- The DUROLITH triple-layer nonstick technical coating provides superior resistance, even when using metal utensils.
- The Ergos tubular handle, triple-riveted for strength, offers a secure and comfortable grip.
- The uniform satin-finished exterior maintains a clean professional look while minimizing visible wear.
- NSF certified, it is suitable for gas, electric, vitroceramic and induction cooktops.
