Product Family: Inox-Pro Cookware

Inox-Pro saucier 20 cm stainless steel induction-ready in satin finish

Perfect for frequent stirring of delicate sauces, the Inox-Pro saucier by Pujadas offers superior performance. The body of this saucier is made of 18/10-grade stainless steel for impressive durability and longevity. The rounded sides curve around spoons or whisks for easier stirring, which helps prevent burning. This saucier features a stainless steel sandwich base, with an aluminum core, for exceptionally fast heat, even distribution and induction compatibility. The smooth interior ensures quick cleaning, the strong tubular handle provides a comfortable grip, and a hole in the end of the handle allows convenient hanging storage. The satin finish creates a sleek appearance and hides signs of wear, meaning that this NSF-certified saucier will look stunning on your gas, vitroceramic, electric or induction range.
