Insulated vacuum thermos 0.6 L stainless steel

With the insulated vacuum thermos by Pujadas, it's easy to serve hot coffee, tea or similar beverages at perfect serving temperatures. Featuring a double-wall stainless steel construction, this vacuum thermos provides impressive durability, longevity and insulation. It has a curved handle and smooth thumb tab for a comfortable user experience, while the ⅗-liter capacity is ideal for smaller servings or establishments. Sleek and simple, this reliable vacuum thermos is ideal for table service at restaurants, buffets, catering events, cafés and more.
