Product Family: Aluminium Fry Pan

Alu Pro Hercules frying pan 24 cm aluminum with nonstick coating and green handle

Color-coding is one of the best ways to keep your commercial kitchen running smoothly, and the Alu Pro Hercules frying pan by Pujadas is ready to help. This pan features a bright, easy-to-see green handle, which is often used to indicate usage with vegetables. The strong, lightweight aluminum construction stands up to high demand, and the nonstick coating promises easy release and quick cleaning for a smooth user experience. This pan features a flat, angled handle with a slight channel down the center that cradles the thumb for improved maneuverability, making it a perfect choice for all-day use. Rivets ensure a secure connection, and a hang-hole provides a convenient storage solution. With a plain base, this 24-centimeter pan is ideal for gas, vitroceramic and electric ranges.
