Product Family: Aluminium Fry Pan

Alu Pro Ergos frying pan for fish 38 x 26 cm aluminum with nonstick coating

Designed specifically for frying fish, this Alu Pro Ergos pan by Pujadas is sure to produce perfect results every time. The large, flat, rectangular shape accommodates large fish and provides evenly distributed heating for consistent cooking. Thanks to the strong aluminum construction, this pan withstands the demands of busy kitchens, without feeling too heavy. The sleek, PFOA-free nonstick coating promises easy release, quick cleaning and a smooth user experience. This frying pan features a stainless steel ergonomic handle that prevents heat retention for a cool, comfortable grip, with a hang-hole at the end of the handle for a convenient storage solution.
