Data sheet

GNauto dispenser 2x1/2 container

Platform dispenser for GN 1/2 55 mm GNauto containers.

More Info

Special platform dispenser for GN 1/2 55 mm GNauto containers – enables space-efficient, ergonomic storage, safe transport, and automated destacking. Equipped with an integrated lifting mechanism designed for very high loads, featuring a tilt- and jam-resistant, smooth-running platform with lifting function. The tension springs can be easily adjusted without tools according to the weight.

Thanks to its extra robust design, 2 x 100 Stück GNauto GN 1/2 55 mm containers can be loaded – featuring two support feet, a reinforced base, a curved push handle for easier maneuvering, a curved safety bar, and all-around bumper protection for exceptionally durable safeguarding.

TECHNICAL SPECIFICATIONS
GNauto dispenser 2x1/2 container

TECHNICAL SPECIFICATIONS

Material	stainless steel 1.4301
Dimensions	836 x 500 x 1091 mm
Weight	35 kg
Stack height	575 mm
assembly	2 x 100 Stück
Platform dimensions	600 x 355 mm
Max. loading capacity	200 kg
GN-Norm	GN 1/2
Impact protection	4 corner bumpers
Castor type	Rustproof 2 swivel-; 2 swivel castors
Castor	with brakes
Wheel diameter	125 mm
Order number	**89 02 03 15**

BENEFITS

Rustproof, high-quality, hygienic stainless steel with a matt finish.

Stable, smooth-running platform.

Tilt- and jam-resistant, with a robust lifting mechanism.

Suitable for GNauto GN 1/2 55 mm, 2 x 100 Stück.

Flexible and precise adjustability without the need for tools.

Constant output height adjustable, with heat-resistant tension springs.

Mobile with rustproof, lockable castors and safety sliding handle.

Bumper corners for impact protection, with a reinforced base, folded all around.

Safety sliding handle at the front, and an additional push bar at the top for better and easier maneuvering.

An additional safety bar is located on the opposite side.

Suitable for high-pressure cleaning, splash-proof.

89 02 03 15 / 13 10 2025. Subject to technical changes, omissions and errors. Items may differ from illustrations.
