Data sheet

Tray trolley 2x1/1 - corner bumpers

More Info

The universal GN system trolley.

The sturdy rack trolley is suitable for transporting, storing, clearing or carrying food in a GN system - a simple mobile helper.

Thanks to the space-efficient configuration with GN containers and GN thermoplates® in combination with the transport-safe, watertight press-in lid or in a vacuum with the vaculid® lid. Also compatible with any GN trays, GN grilles and GN insert trays for multifunctional use.

Also available on request with antistatic castors to avoid static electricity. For an overall mobile concept, perfect in combination with other mobile products, such as thermoport® made of plastic and stainless steel as well as transport and serving trolleys.
