Data sheet

Storage trolley 46 cool. pellets 180-2/1

More Info

The ideal storage solution for cooling plates.

The trolley is optimally equipped for holding cooling plates and specially suitable for cold ambient temperatures such as refrigerated rooms or freezer rooms. The castor configuration with cold grease prevents the rollers from freezing at low temperatures.

The practical and space-saving storage solution for cooling plates. Suitable for both our plastic freezer plates and our stainless steel and plastic cooling plates. Available with 23 or 46 shelf rails depending on requirements.
