Data sheet

Serv.trolley 1060-4 shelves assembled

More Info

The universal trolley.

The sturdy serving trolley in a lightweight design is suitable for any transport, whether for serving, clearing or carrying – a simple mobile helper.

Available with 2 or 4 shelves (made of chrome steel) and different shelf sizes depending on the scope of transport required. With a choice of stainless steel or galvanised castors. Also available on request with air-filled castors to provide even better insulation against transport noise. As an additional accessory, a matching stainless steel clearing container can be easily attached to the pushing handle. When ordering the assembled version, the shelves can also be equipped with an extra gallery made of round stainless steel for slip-resistant transport.
