Data sheet

servo+ 1050 - 3 shelves assembled

The ultra-robust universal trolley.

More Info

The sturdy serving trolley in a heavy-duty design is suitable for any transport, whether for serving, clearing or carrying – a simple mobile helper.

Available with 2 to 4 shelves (made of chrome steel) and different shelf sizes depending on the scope of transport required. Also available on request with air-filled castors to provide even better insulation against transport noise. As an additional accessory, a matching stainless steel clearing container can be easily attached to the pushing handle. The shelves can also be equipped with an extra gallery made of round stainless steel for slip-resistant transport.
