Data sheet

Trolley with one-hand handle

The agile all-rounder

More Info

The robust yet agile trolley with a handle made of stainless steel is suitable for transporting all kinds of loads: from beverage boxes and thermoport® to food boxes and other heavy items.

Compatible with any GN and EN trays for multifunctional use. For an overall mobile concept, perfect in combination with other mobile products, such as thermoport® made of plastic and stainless steel as well as transport and serving trolleys.

For an overall mobile concept, perfect in combination with other mobile products, such as thermoport® made of plastic and stainless steel as well as transport and serving trolleys.
